2021 UAW REGION 1D INVITATIONAL BOWLING TOURNAMENT

1. Any UAW-sponsored (10-pin) tournament affiliating with this event must be standardized to include a Team Event and have identical average and eligibility rules and the same handicap systems. All team members must be an active or retired UAW member or their spouse/partner to be eligible.
2. Entry limited to Region 1D active and retired members, and their spouses only. Honorable Withdrawal cards accepted, if dated after January 1, 2021 and approved by area and/or Region 1D Tournament Director. A bowler may participate only once in an affiliated tournament and in only one affiliated tournament.
3. Regional competition will be three games across two lanes. Qualifying scores will be based on total score for three games with handicap added.
4. International Championship competition will be three games across two lanes, for both single and team competition.
5. This is a mixed tournament. Teams may be composed of all men, all women or mixed with a playing strength of five. USBC and eligible non-USBC members may participate in a moral support tournament with high score recognition automatically extended to USBC members.
6. Eligible non-USBC members can obtain high score recognition by purchasing an unattached membership card prior to bowling (paid by check only). Upon receipt of fee, USBC will issue an unattached individual membership card.
7. Use highest league average – **21 GAMES OR MORE IN 2019-2020**. (Refer to City or appropriate Association Yearbook). Averages established in summer leagues will be acceptable only if such averages have been recorded and maintained by the local association secretary and are verifiable. Bring verification from league secretary.
8. In case of no 2019-2020 average, said bowler may establish an average by bowling 21 games or more as of December 31, 2020. If average is established in this manner, the highest established current average as of the start of the tournament will be used. Bring verification from league secretary. All others bowl scratch - men 200, women 165.
9. When the 2019-2020 highest league average is used, and at the time of scheduled date of bowling, an entrant has a current season's average for 21 or more games that is 10 or more pins higher than the prior season's average, the **CURRENT AVERAGE MUST BE USED**. Bring verification of current average from league secretary.
10. Bowlers are cautioned to familiarize themselves with the re-rating requirements of USBC Rule #319E and Rule #319. Rule #319 applies to all participants.

12. Any bowler who has qualified for a prize of \$300 or more in any event in a tournament within the previous 12-month period must report their actual score, position and amount won at the time of entry and is subject to possible re-rating before bowling. Failure to accurately report averages and/or prize winnings received the previous 12 months can result in disqualification. If contestant reports a higher average than true average, no correction will be made and they will be handicapped accordingly. If a lower average than the true average is submitted, contestant may be disqualified and subject to suspension from USBC membership.
13. Handicap basis – 100% (difference between team average and 1, 100, 3-game total) added to total score. Singles – 90% (difference between average and 220, 3-game total) added to total score.
14. The number of team qualifiers allowed to participate in the affiliated UAW International Finals Tournament will be based on a ratio of one for every five (5) entries and fraction thereof.
15. It shall be each bowler's responsibility to verify the accuracy of their average. It shall be the team captain's responsibility to verify the accuracy of their team averages, whether originally submitted by the bowler, the team captain, or others. Failure to use the proper average or make a correction prior to or at the time of bowling may disqualify team score if submitted average is lower than actual average. Prize winnings shall be based on the submitted average if it is higher than actual average. (Rule 319A-3).

Eligible substitute must be a person who was entered in the area or regional tournament. The verified average and name of the substitute should accompany team entry. Substitution is limited to three (3) and should be made one (1) hour before starting time. No changes in bowling order are permitted after the Tournament Director has received the entry.
