**RE: GM Subsystems Manufacturing LLC - Strike Deadline**

Dear Union Brothers and Sisters:

As you may know, UAW-represented employees of GM Subsystems Manufacturing LLC have been in contract negotiations for some time and have now set a strike deadline for this Thursday, June 30, 2022 at 10:00 am.

I am writing to remind you that as a General Motors employee covered by Paragraph 117 of 2019 UAW-GM National Agreement, you must continue to report to work in the event of a strike by the Subsystems unit. In addition, you may **not** take part in the picketing that will accompany a strike.

Although you cannot be part of the strike, there are things you can do to support our brothers and sisters who work in the Subsystems unit. Please call your local union and ask how you can help.

**Please share this correspondence with all our members who may be impacted if a strike takes place.**

In solidarity,

Terry Dittes  
Vice President and Director  
UAW General Motors Department
