Re: Owen Bieber Scholarship at Grand Valley State University

Date: October 16, 2023

Owen Bieber Scholarship

During the time Owen Bieber served on the Chrysler Board of Directors, he donated the money he was afforded to fund these academic scholarships at GVSU, to be used by our qualified members and their families.

The application for the Owen Bieber Scholarship is to be completed online. Students must follow the instructions carefully. The rules and qualifications are spelled out on the online form.

In order to apply for the Owen Bieber Scholarship, *students must already be admitted into GVSU*. Once they are admitted, students use their GVSU credentials (which they received when accepted) to log into the **myScholarships** system. At this time, the system will prompt them to complete a General Application. Once this General Application is completed, they can then go apply for individual scholarships, such as this Owen Bieber Scholarship. Qualifications and instructions will be found online.

Students will need to print off the linked verification form that the UAW Local's President or Financial Secretary must sign, and then upload the signed form back into the application.

If the Local is closed, call 616.949.4100 to arrange for verification.

If help is needed with this process, or you have any questions, please feel free to contact GVSU's Office of Financial Aid and Scholarships, at 616.331.3234, or scholarships@gvsu.edu.

Please make this information available to your membership.
