2. Regional competition will be three games across two lanes. Qualifying scores will be based on total score for three games with handicap added.
3. This is a mixed tournament. Teams may be composed of all men, all women or mixed with a playing strength of five. USBC and eligible non-USBC members may participate in a moral support tournament with high score recognition automatically extended to USBC members.
4. Eligible non-USBC members can obtain high score recognition by purchasing an unattached membership card prior to bowling (paid by check only). Upon receipt of fee, USBC will issue an unattached individual membership card.
5. Use highest league average – **21 GAMES OR MORE IN 2023-2024**. (Will use averages at Bowl.com). Averages established in summer leagues will be acceptable only if such averages have been recorded and maintained by the local association secretary and are verifiable. Bring verification from league secretary.
6. In case of no 2023-2024 average, said bowler may establish an average by bowling 21 games or more as of December 31, 2024. If average is established in this manner, the highest established current average as of the start of the tournament will be used. Bring verification from league secretary. All others bowl scratch - men 200, women 165.
7. When the 2021-2022 highest league average is used, and at the time of scheduled date of bowling, an entrant has a current season's average for 21 or more games that is 10 or more pins higher than the prior season's average, the **CURRENT AVERAGE MUST BE USED**. Any bowler who has qualified for a prize of \$300 or more in any event in a tournament within the previous 12-month period must report their actual score, position and amount won at the time of entry and is subject to possible re-rating before bowling. Failure to accurately report averages and/or prize winnings received the previous 12 months can result in disqualification. It shall be the team captain's responsibility to verify the accuracy of their team averages, whether originally submitted by the bowler, the team captain, or others. Failure to use the proper average or make a correction prior to or at the time of bowling may disqualify team score if submitted average is lower than actual average. Prize winnings shall be based on the submitted average if it is higher than actual average. (Rule 319A-3).
13. **The Tournament Director reserves the right to re-rate averages when warranted to assure a fair counting.**
14. Any issue not covered by these tournament rules will be covered by USBC rules. The Tournament Director reserves the right to settle all disputes not covered by these rules or USBC rules.
